

Summer Family Literacy Activity for I Promise by LeBron James

Read this book together as a family or in a friend group.

Use these questions as discussion topics for *during/after* reading:

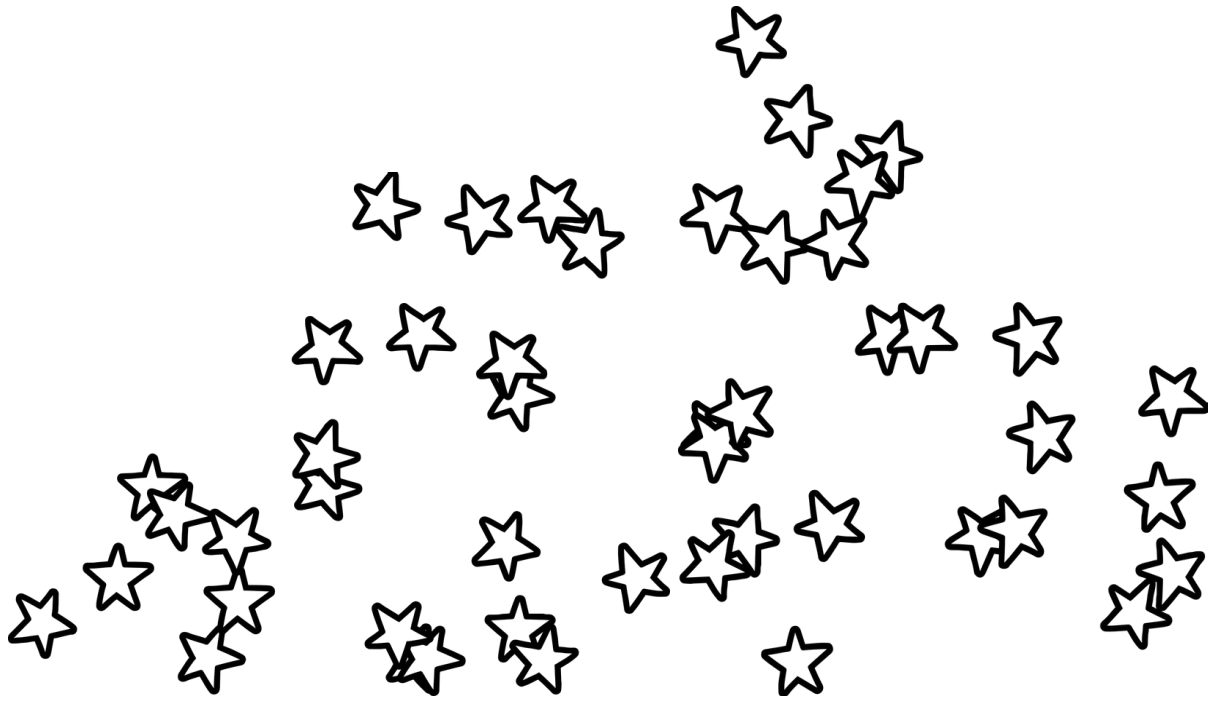

- Do you think it's easier to make a promise or to keep a promise?
- What is something that you tell yourself when you have to do something hard?
- How do the kids in this book help each other keep their promises?
- In this book, the kids promise to do many things. What would you promise to do?

Have each family member or friend draw and write about some promises that they have made for themselves. Put these pages together and make a **Promise Book** to be read together for years to come. Use the cover page as a cover.
