

Dear Roger Clap Families & Community Members,

This Friday we will celebrate the ways our school community shows **perseverance** during our February Town Hall. Whether your child or their class wins an award I encourage you to take time this week to ask your learner to reflect on the following questions:

-How do you *show perseverance* as a learner?

-What *tools and strategies* help you to keep going when you face a challenge?

-How do you *encourage others* to persevere in the classroom, in the school, and on the playground?

School Wide Updates:

- **Dollar Day - Twin Day:** THIS Friday, February 18th is our next 'Dollar Day' and our theme is Twin Day! Choose a friend, group of friends, or even a teacher and make a plan to look just like twins! Wear the same color clothes, do your hair the same way, or find another way to look similar to each other. We are asking for a donation of \$1 to participate in Twin Day but it is not required. All donations will go towards our Field Day/Fun Day in June.
- **February Birthday Celebration:** Students with a birthday in February will celebrate their birthdays on February 18th. If you would like to participate in the celebration, please reach out to your child's teacher.
- **COVID-Rapid Test:** Before February recess, all BPS students will go home with a COVID-rapid test to be taken 24 hour prior to returning to school after February break.
- **February Break:** Unless students are participating in the February Acceleration Academy, there is no school between February 19-February 27.
- **FREE Vaccine Clinic:** On February 28 from 9:30-12:00 our school will host its 2nd Vaccine Clinic for all staff, students, and families. Pfizer, Moderna, and Johnson & Johnson vaccines will be available. Individuals 5+ are eligible. Please reach out to the office or Nurse Centeio for consent forms.

In partnership,

Emma Fialka-Feldman, Principal
