

Dear Roger Clap Families & Community Members,

Roger Clap & Russell Proposed Merger Update from Boston Public Schools: With regards to your school, BPS is no longer moving forward with a proposal. Together, BPS will continue to explore various possibilities regarding your child's school. Any new plans will allow more time for collaborative and inclusive community engagement

processes. At this time there is NO proposal to merge the Clap & Russell communities for the 2023-2024 school year.

Apply to be part of our Parent Mentor Program! Parent Mentors will receive a stipend of \$15.25/hour for 10 hours a week. Parents as mentors work one-on-one and in small groups with students. You become a leader in our school community. No other previous experience is required, and all parents will be provided the training necessary. All parents and caretakers are welcome!!!

Parent Mentors must attend the full Training Week (Nov 14 - Nov 18 from 9:30 am-12:30pm) and commit to being part of the program for the whole school year. The hours are 9:30am-11:30pm, M-F.

If you would like more information, please contact Estephany Almanzar at 857-415-8543 or estephany@ssypboston.org, or return the attached form to our Family Liaison, Deidre DeGraffenreid and you'll be contacted by the coordinator.
