

Dear Roger Clap Families & Community Members,

Please complete this short survey to share your feedback about the Core Values that should shape our school community (visit: <https://forms.gle/qdUgUvK2KgjrTaYCA> or scan the QR Code)

Attached you'll find a [Schoolwide Calendar](#) for upcoming events throughout the year.

School Wide Updates:

- **Early Release:** Wednesday, November 24 is an early release day. Dismissal will start at 1:30pm. Students who take busses will be arriving at their bus stop approximately 2 hours earlier than typical. Breakfast and lunch will be served. There will be no school November 25 - November 26.
- **November Town Hall:** On Tuesday, November 23, our entire Roger Clap community will come together to celebrate students and classes displaying respect for the month of November. Given BPS Covid-policy, families are not able to attend this in-person event.
- **Picture Day!** Picture day will be Thursday, December 3. More details to come!

Reminder from Ms. Centeio, School Nurse

The health and wellbeing of our students is our main priority. As you may know, healthy kids do better in school, at home, and in life. BPS as a district strives to promote healthy lifestyles and nutritional practices for all students by prohibiting sweets and encouraging healthier food alternatives in order to create a school culture of healthy eating. As we continue to strive to create an environment in our school that is not only healthy but safe, especially as we follow Covid safety guidelines, we have noticed an increase of candy and sweets throughout our building.

For this reason we are restricting when students should be eating snacks, candy, or sweets in order to maintain a healthy and safe school environment. No snacks including candy or sweets will be permitted in the hallways and in classrooms (unless previously discussed with your student's teacher). Please help us by continuing to remind your child(ren) of the importance of this healthy policy.

Together, we can make school a place where both minds and bodies are nourished and made stronger to give our students the future they deserve.

Sincerely,
Elizabeth Centeio, RN, Nurse

In partnership,

Emma Fialka-Feldman, Principal
