

Dear Roger Clap Families,

As we launch into the final stretch of the school year, please take a moment to share your feedback about our school community. The district is collecting feedback from families, students, and staff. The data helps our community reflect on the year and identify what to prioritize as we plan for next year. If you need support accessing the survey - please reach out to our family liaison, Ms. D at 617-635-8672 or ddegraffenreid@bostonpublicschools.org. So far 14 of our families have completed this survey! Let's work together to have EVERY family's voice represented!

Topics and Sample Questions

*School Climate: *How motivating are the classroom lessons at your child's school?*

*Family-School Communication: *How helpful has the communication from your child's school been this school year?*
