BHH Reading

When you read think about what is...

...in the
Book

What's this book about?
Who's telling the story?
What does the author
want me to know?

...in your
Head

What surprised me?
What does the author think
I already know?
What challenged, changed
or confirmed my thinking?
What did I notice?

...in your
Heart

What did I learn about me?
How will this help me to be
better?
