

Dear Roger Clap Families,

As we launch the 2nd half of the year, the Clap is excited to launch **Clap Family Champions!** This is an opportunity for a caregiver in each classroom to help build family to family connections, support the grade with outreach, and organize donations to the classroom. If you are interested in being a classroom Family Champion, please reach out to Mrs. DP. All Family Champions will receive contact information for each learner in the classroom in order to communicate with each family. *If you do NOT want your information shared with the grade's Family Champion, please reach out to Mrs. DP.*
