

Dear Roger Clap Families,

There are **only 32 more days** this school year. While a small number, this means there are over 200 hours of instruction remaining. This is more time to ensure your learner is confident heading into the next grade!

BPS and Massachusetts expect students to have a 95% attendance rate. That means that students should not miss more than 1 day of school between now and the end of the year. Our school's attendance rate is 92%. This means that daily there are at least 11 students absent. We need your help, collaboration, and creativity to ensure that all students are present each day.

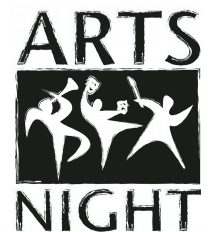

Congratulations to our Grade 2 and Grade 5 students, families and staff for collaborating to have the highest percentage of attendance this year!
