

Dear Roger Clap Families & Community Members,

Do you have ideas about how our community can redesign our outdoor spaces? Have you seen outdoor learning spaces at other schools and/or in your community that promote play, curiosity, and collaboration? Help influence how we use our federal ESSER funds to help reimagine and eventually build new outdoor spaces for the Roger Clap Community!

Join our community TODAY - Tuesday, April 26
from 5-6pm IN-PERSON outside in the Roger Clap playground with Gardens for Life, a local organization combining experience in

education, landscape design, and garden management to promote outdoor learning spaces. All families, students, and staff are invited to participate in providing feedback about the use of outdoor space.

If you can't join us in-person, please consider sharing feedback through [the survey here!](#)

This Friday April 29th is our April Dollar

Day with the theme: Character

Day! Dress up as a character from a book, movie or TV show, a famous person, or someone you look up to. We are asking for a donation of \$1 to dress down but it is not required. All money raised will go towards our Fun Day at the end of the year.

In partnership,
Emma Fialka-Feldman, Principal
