

## 2022 Incoming 6th Grade Summer Reading Activity

**Book:** Sal & Gabi Break the Universe

In this novel Sal and Gabi explore the multiverse! The multiverse is a group of multiple universes. Together, these universes comprise everything that exists. Be sure to read all of “Sal and Gabi Break the Universe” (it’s so good!). Here is your prompt for the summer: **If you could enter your own universe where anything is possible what would it be like?** I want to use your imagination to create your own ideal universe!

Choose or more of the options below to record your thoughts.

**Write About it**

**Build It**

**Draw It**

**Video It**

## Write About It

### Directions:

1. Write a page about your ideal universe.
2. Be sure to include details: what does it look like? Who is there? How are you different in this universe? How is it different/the same compared to our universe etc.
3. It should be 1-2 pages in length

## Build It

### Directions:

1. Use cardboard/ recycling around the house to build a model of your ideal universe.
2. Make a video teaching us how to make it, or take a picture of each step in the process.
3. Be sure to use specific language and clear directions for each step.

## Draw It

### Directions:

1. Make a poster drawing/comic/collage that showcases your ideal universe.
2. Be sure to include lots of details. The viewer should feel transported into your universe!

## Video It

**Directions:** Record a video of yourself describing your ideal universe (remember anything is possible here!). The video should be at least **5 minutes** long and contain many details.

Think about: what does it look like? Who is there? How are you different in this universe? How is it different/the same compared to our universe etc.

If you are stuck think about some things you wish you could change:

- In your personal life
- In your community
- In your state/country
- In the WHOLE world
