# BHH *Reading*

When you read think about what is...

...in the  
**Book**

What's this book about?  
Who's telling the story?  
What does the author  
want me to know?

...in your  
**Head**

What surprised me?  
What does the author think  
I already know?  
What challenged, changed  
or confirmed my thinking?  
What did I notice?

...in your  
**Heart**

What did I learn about me?  
How will this help me to be  
better?
