

Dear Roger Clap Families,

There are a number of Family Events coming up at the Roger Clap in the month of February! We have some during the day and some in the evening to provide a range of times that can work for families. We hope that these events provide time for families to make connections with other Clap families and students!

THIS WEEK: Thursday, February 6: Family Game Night

Where: at the Clap from 5:30-7

Join our Family Council to participate in various board & card games!
Learn the rules of new games and enjoy meeting other families!

NEXT WEEK: Friday, February 14: Math Playground

Where: at the Clap during the school day (10-3)

Join your learner's grade level to engage in interactive and fun math games designed to be accessible to all learners! Your learner's specific time will be shared soon. The Clap is partnering with the Young People's Project to launch this project at our school!

AFTER Mid-Winter Break: Friday, February 28: Winter Music Concert

Where: at the Clap from 3-4pm (& on Zoom!)

Join the Roger Clap Community for our February Town Hall where each grade will showcase their musical talents from our partnership with the Boston Music Project. Grade K-3 students will share songs they have learned. Grade 4-6 students will share songs they have learned on their instruments. A Zoom link will be also shared for families who can't make it in-person.

Upcoming Events & Reminders

- Tuesday, February 11 - Family Council - 5pm Zoom
- Monday, February 17 - Friday, February 21: No School
- Tuesday, February 25 - School Site Council - 6pm Zoom (Hiring Priorities)
