

Dear Roger Clap Families,

We are celebrating each grade for 100% attendance days! Check out the display below (and near the office) that highlights each day a classroom has had 100% attendance.

Congratulations to 4th grade for the most 100% attendance days so far! Each student is a critical member of the classroom community. *When one student is missing, our community is not whole.* Please reach out to Mrs. DP if you are looking for ways to improve your learner's attendance.

Ensuring that children have the energy to learn is important to us at the Clap. Each child receives free breakfast and

lunch provided by BPS. Students can opt in or opt out. If you pack a lunch for your child, please ensure that it can be eaten without any additional preparation. We do not have the adult capacity to heat up meals at school (i.e. use a microwave). When adults are asked to heat up meals, we decrease the number of adults who are supervising a safe and enjoyable lunch. Help us, help our learners by not packing food that needs to be heated up.

Join us NEXT Tuesday (Tuesday, October 24) to share your voice in making sure our community continues to grow!

School Wide Updates:

- Inclusion Planning Team: Each BPS school has a new Inclusion Planning Team (IPT). We will ensure that all students - specifically students that have an IEP or 504 Plan and/or students who are English Language Learners - learn in an inclusive environment that fosters academic achievement. There are 3 meetings scheduled on Fridays from 8-9am (10/20-THIS WEEK, 11/17, 12/15). Reach out to Mrs. DP if you are interested in participating.
- Friday, October 27: Dollar Dress Day - PJ Day, Town Hall & October Birthday Celebration Day

In partnership,  
 Emma Fialka-Feldman, Principal
