

Dear Roger Clap Families & Community Members,

As we launch into our final month of the 2022 year, we are excited to share a number of important events and reminders:

- Collaboration: Our core value of the month is collaboration. Help your learner think about all the ways they show collaboration at home, at school, and in our community. At the end of the month, we will be celebrating classrooms and students who model collaboration as friends and community members.
- Family Voice: Join our community on Zoom on Tuesday, December 13 for Family Council (5:30pm) and School Site Council (6pm).
- Winter Weather: As the weather becomes colder, we will continue to prioritize outdoor recess unless the wind-chill factor is in a caution or dangerous zone. We know fresh air, movement, and play are important parts of the school experience and will work hard to prioritize outdoor play as much as possible. You can help us by ensuring your student comes to school with hats, gloves, sweaters, and jackets. We are also able to provide additional outdoor and warm clothing to students. Please reach out to Ms. D, our family liaison, if your child would benefit from extra winter gear.
- Dress Up Day: Friday, December 16th is our next schoolwide dress up day! Wear any workout or sports gear!

In partnership,

Emma Fialka-Feldman, Principal
