

Dear Roger Clap Families & Community Members,

As we launch into the final stretch of the school year, please take a moment to share your feedback about our school community. The district is collecting feedback from families, students, and staff. The data helps our community reflect on the year and identify what to prioritize as we plan for next year. If you need support accessing the survey - please reach out to our family liaison, Ms. D at 617-635-8672 or ddegraffenreid@bostonpublicschools.org.
