

Dear Roger Clap Families,

All students, staff and families share their hopes and dreams for the school year. Families are encouraged to complete the attached paper and answer any of the following questions:

- -What is your hope for your learner this school vear?
- -What is an <u>academic and social goal</u> you have for your learner?

-What do you want to be true for your child this year at school?

Each classroom displays the

Hopes & Dreams shared by their family. Please text, email, and/or send in a photo of your learner and their family so a family photo can be displayed in the classroom.

We are excited to invite you to our
