

Dear Roger Clap Families,

We know you work hard to make sure your learner is at school each and every day. As a reminder, unless there is an emergency or a scheduled medical appointment, please do not pick up your child early from school. When students are picked up early, this can make dismissal more challenging for our community. Dismissal starts at 4pm.

If a student is picked up 30 minutes early two times each week, this adds up to over 40 hours of missed instruction (which is equal to missing 6 school days!). Our staff work hard to make sure time at school = time learning and growing.

Moving forward, students will not be released between 3:30pm-4pm unless there is an emergency or a medical note. Thank you in advance for supporting our community!

- Friday, March 8 - Popcorn Day [Reach out to Mrs. DP to volunteer!]
