

Dear Roger Clap Families,

We are hearing from many families that addressing social media and cell phone use for our students can be challenging and is impacting their engagement in school, including their peer relationships and friendships. Please join the Roger Clap Community, Office of Student, Family, and Community Advancement and Safe & Welcoming Schools Specialists on Thursday, April 4 at 4:30 in the Cafeteria for a special workshop for families.

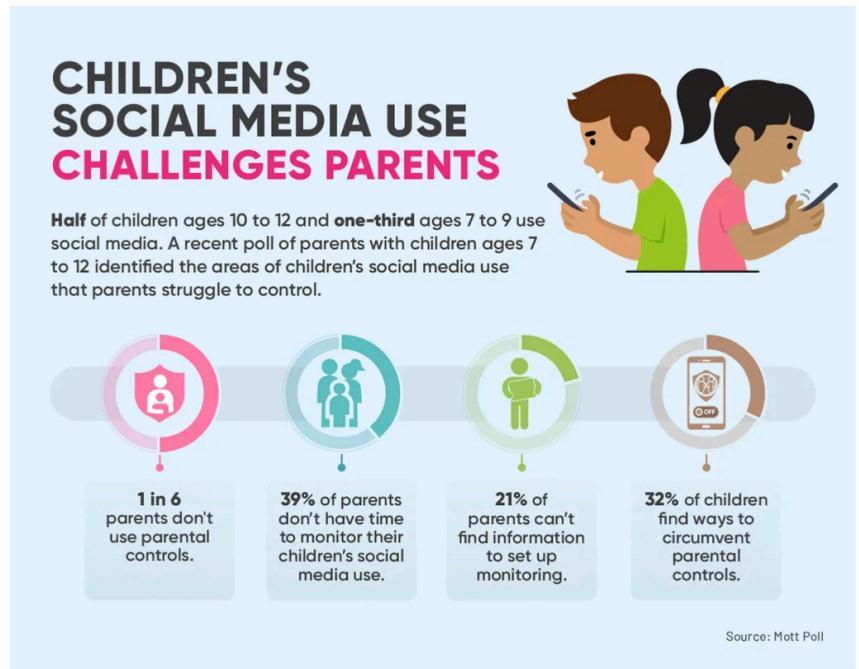

### Raising Awareness on Social Media & Online Safety

Date: Thursday, April 4 at 4:30

Families will:

- Engage in a conversation on the benefits and challenges of social media
- Discover trends related to teens and social media and how those might impact academic performance
- Raise awareness about best practices related to addressing and intervening on cyberbullying
- Learn more ways to support your student with using technology safely at home

Please return the sheet to participate. Childcare will be provided!

**NEXT WEEK:** On Thursday, March 26 at 6pm, families with students in Grades 3, 4, 5, or 6, may join us for a 30 minute Zoom providing an overview of the upcoming MCAS tests.
