

Dear Roger Clap Families,

Last week, Boston Public Schools awarded the Roger Clap Community the Excellence in School Wellness Award. Boston Public Schools stated the following about the year-long work of the Culture & Climate Leadership Team which has supported and led initiatives such as Clap Clubs, Student-Led Town Hall, and Student Jobs: *Clap Elementary has cultivated a thriving environment aimed for its productivity, joy and collective pride. These many initiatives have become the bedroom of their collaborative spirit with students feeling valued as integral partners whose ideas are heard and actively implemented, fostering a deep sense of ownership in their school. By intentionally creating meaningful pathways for all community members to contribute, Clap has undeniably strengthened the well-being of its entire school community.*
