

Dear Roger Clap Families,

As we launch a new month, I wanted to celebrate our top classrooms for having the most 100% attendance days in the month of March! Thank you to our families for working with Mrs. DP and classroom teams to make sure your child is in school each and every day (and when they aren't feeling well you are talking with our Nurse so we can get them back to school quickly and safely!) We need every member of our community to make our PACK Family strong!

Number of 100% Attendance Days in March	
1st Place	2nd Grade with 8 days of 100% attendance!
2nd Place	K0/K1 & Grade 4 with 6 days of 100% attendance
